STAFF: Brent Brandt, Clare Hinks

President Greg Sander called the meeting to order
Minutes:

Minutes were not reviewed. Randy apologized to the board of Directors as meeting minutes were on a laptop and inaccessible at the time of the meeting.

Financial Report:

Randy and Heath reviewed the current financials as provided by city Finance Officer Karl Alberts

Parking Attendants Report:

No report as Clare Hinks was absent

Old Business:

Randy asked that a scheduled meeting be set with a regular time and date to meet. The group agreed that the second Monday of each month would work best with time of meeting set at 2:00 PM. All present agreed.

New Business:

City Manager Lynn Lander provided photos of parking immediately in front of the county courthouse. The intersection is a blind intersection when traveling south between the courthouse and the museum, especially with parking. A recommendation was made to review the corner and evaluate whether a larger yellow (no-parking) zone is warranted.

The board agreed to look at the space and make a recommendation for consideration and vote at the next parking board meeting.

Heath Johnson presented the need for a dumpster location behind the Aberdeen Downtown Apartments. After discussion regarding precedent and the current and future needs. The board will review options and discussion will be held at the next meeting with a recommendation for a policy which may address the needs long term.

Randy made a motion that temporary permission be granted for a dumpster at the location near the Power Pole immediately behind the apartment building. Matt Deilke Seconded the motion. Greg Sander called the vote Heath abstained and all others present voted AYE.

Other Business:

The board asked Robin Bobzien to coordinate to remove the 10 minute parking sign located in front of the old Natural Abundance store. This sign was installed to allow for ease in pick-up and drop off of water when the store was located there. Robin will coordinate the signs removal with Brad from the city streets department.

The board reviewed and discussed further the construction of the Library and its permanent location and layout. A brief discussion was held regarding the lot north of the Civic arena and when it would be resurfaced as well as temporary re-location of any lease holders in the current library lot during and after construction. There are currently 34 leased spots in that lot. The board will discuss this at the March meeting with the potential to finalize plans for transitional accommodations for leased spaces. The board will work with Lynn Lander and Ron Wager to develop a plan for discussion at the upcoming March board meeting.

Ron Wager, Lynn Lander and Robin Bobzien offered their services to ensure that meeting minutes are maintained and posted on the city site, additional documentation is available and they are able to attend regularly scheduled meetings to be of assistance.

Greg Sander Declared the meeting adjourned.

Next Meeting is March 14th at 2:00 PM in the chamber boardroom
