NEVER STOP DREAMING

The Sertoma Club and Aberdeen Parks and Recreation Department continue to consider ways to enhance the visitor experience by improving existing displays and adding new and exciting attractions to the park. The Storybook Land Master Plan was updated recently and there are many changes in store at the park. The vision for the future includes adding new family oriented rides, enhancing a number of the existing displays, further development of the Land of Oz and improvements to the park infrastructure. In addition, many new activities and special events are planned for the future for all to enjoy!

You can make a difference in improving Storybook Land and Wylie Park. Major gifts will enhance the Sertoma Club funds and other city funding and leave a lasting legacy for future generations of park users. Please consider a tax free donation to help keep the magic alive! For more information on the many sponsorship opportunities, please contact the Aberdeen Parks, Recreation and Forestry Department at 605-626-7015 or visit the web site at www.aberdeen.sd.us/sponsorships.
