COVID-19 EMERGENCY ORDINANCE NO. 2

**AN EMERGENCY ORDINANCE TO ADDRESS A PUBLIC HEALTH CRISIS
BY IMPLEMENTING CERTAIN MEASURES WHICH HAVE BEEN DEEMED
NECESSARY TO SLOW THE COMMUNITY SPREAD OF THE VIRUS
RESPONSIBLE FOR THE COVID-19 DISEASE**

WHEREAS, the City of Aberdeen has the authority pursuant to SDCL §§ 9-29-1 and 9-32-1 to adopt ordinances for the purpose of promoting the health, safety, and general welfare of the community, and to do what may be necessary or expedient for the promotion of health or the suppression of disease; and

WHEREAS, the City Council, pursuant to Aberdeen City Charter, Sec. 2.14, may adopt an emergency ordinance affecting life, health, property, or the public peace by an affirmative vote of at least sixty percent of the members present, which ordinance shall automatically stand repealed as of the 61st day following the date on which it was adopted; and

WHEREAS, an outbreak of the COVID-19 disease, which is caused by the novel coronavirus SARS-CoV-2 (the “virus”), has been confirmed in more than 100 countries, including the United States; and

WHEREAS, COVID-19 is a severe respiratory disease caused by the virus transmitted by person-to-person contact, or by contact with surfaces contaminated by the virus. In some cases, especially among older adults and persons with serious underlying health conditions, virus infection can result in serious illness requiring hospitalization, admission to an intensive care unit, and death; and

WHEREAS, the World Health Organization (WHO), the Centers for Disease Control and Prevention (CDC), and the Secretary of the U.S. Department of Health and Human Services have declared the outbreak of the virus causing the COVID-19 disease a public health emergency; and

WHEREAS, on March 13, 2020, President Donald Trump declared a national emergency in response to the global pandemic of COVID-19; and

WHEREAS, on the same day, Governor Kristi Noem issued Executive Order 2020-04 declaring a State of Emergency in all counties in the State of South Dakota due to the COVID-19 pandemic; and

WHEREAS, Governor Noem on April 2, 2020, issued Executive Order 2020-11 declaring a disaster to exist in all sixty-six counties and nine tribal reservations of South Dakota and that federal resources are needed to alleviate the impacts of the pandemic on the State of South Dakota; and

WHEREAS, cases of infection from the virus causing the COVID-19 disease have been confirmed in the State of South Dakota, including confirmed cases in Brown County, and cases of community spread are reasonably suspected to exist; and

WHEREAS, the CDC and health experts have concluded that social distancing is necessary to slow the spread of the virus causing the COVID-19 disease; and

WHEREAS, social distancing is a method of slowing down or stopping the spread of a contagious disease by reducing the probability of contact between infected persons and those not infected in order to minimize disease transmission; and

WHEREAS, the CDC issued guidance to state and local governments and all citizens recommending social distancing steps to prevent community spread and guard against the COVID-19 outbreak; and

WHEREAS, many states and communities across the country implemented the CDC recommendations by ordering the closure of bars, restaurants, food courts, gyms, and other indoor and outdoor venues where people congregate until the public health emergency is over; and

WHEREAS, many Aberdeen residents, healthcare organizations, businesses, and religious organizations voluntarily instituted social distancing measures recommended by the CDC but social distancing is not being practiced by all persons within the City; and

WHEREAS, the failure to successfully implement social distancing will likely result in higher numbers of infected individuals and has the potential to overwhelm the capacity of the City's health care providers; and

WHEREAS, it is important that control measures be taken to reduce or slow the spread of the virus in order to protect the health and safety of the City's residents, especially seniors and those with underlying health conditions that make them particularly vulnerable to the COVID-19 disease; and

WHEREAS, consistent with the CDC guidance, Governor Noem issued Executive Order 2020-08 on March 23, 2020, providing social distancing directives to every South Dakotan, all employers, any enclosed retail business that promotes social gatherings, all healthcare organizations, and all local and municipal governments; and

WHEREAS, Governor Noem on April 6, 2020, noting her authority under the Constitution and Laws of the State, including SDCL Ch. 34-48A, and recent projections of the potential demand upon hospitals due to the spread of the novel coronavirus in South Dakota, issued Executive Order 2020-12, which order rescinded the directives of Executive Order 2020-08 and mandated that the prescribed social distancing and CDC hygiene practices *shall* be followed by every South Dakotan, all employers, any enclosed retail business that promotes social gatherings, all healthcare organizations, and all local and municipal governments; and

WHEREAS, the City Council, exercising its authority pursuant to Aberdeen City Charter, Sec. 2.14, finds that the rules and regulations contained within this ordinance are necessary for the prevention and spread of the contagious virus causing the deadly COVID-19 disease within the City of Aberdeen.
