

## **2020 Program Safety Plans**

- 1) Roster sizes for all the programs have been lowered. This may mean not fielding full ball teams if kids are gone but helps our ability to provide practices and lessons with kids spread out.
- 2) Dugout areas will be expanded, so seating is social distanced.
- 3) Our Coaches will be required to wear face masks when they cannot maintain 6-foot social distancing.
- 4) All Staff will be subject to daily health checks.
- 5) Procedures to sanitize equipment, bats, helmets, catcher equipment, Tennis rackets will be implemented.
- 6) Social Distancing by spectators so the crowds of kids and parents are spread out. Ballfield bleachers will not be available. Spectators should bring their own chair or blanket to sit on.
- 7) Spectators and participants will not be able to have sunflower seeds.

### **Personal Responsibility is essential to the safety of everyone involved in programs.**

-If your child doesn't feel well, please keep them home.

-If your child is running a fever of 100 degrees or more, please keep them home.

-Please encourage your child to practice good hygiene by washing their hands before coming to practice and again when returning from practice.
