

ABERDEEN AQUATICS CENTER RULES AND REGULATIONS

Health and Sanitation

- It is recommended that all swimmers shower head to toe before entering the pool water.
- Wash hands with soap and warm water after using toilet facilities.
- Paper or cloth diapers are prohibited in the pool. Swim diapers must be worn and are available for purchase at the front desk.
- Please change children's diapers often. Diaper changing stations are located in the men's and women's locker rooms as well as the family restrooms. Dispose of used diapers in trash receptacles.
- Please take young children to the restroom on a regular basis.
- Do not swim, or bring children to swim who have or have had diarrhea in the past 3 weeks.
- A physician's note will be required for entry for anyone with a rash, skin disease, or open sores.
